

**MULTIPLE DISTRICT 410 2022 - 2023**

**REPORT TO THE THIRD COUNCIL OF GOVERNORS MEETING –  
April, 2024**

**PORTFOLIO – ARCHIVE SECRETARY**

**BY – PCC Rob Fowler**

---

**Council Chairman Bernd Gerhard, District Governors Lindie van Wyk and Neville van Rensburg and fellow Council officers.**

My report is as follows:

So as far as the archiving operations are going I have archived what has been received.

**Year 2023 – 2024 : Council Chairman Bernd Gerhard**

Await the signed copy of the Minutes of the Second Council Meeting for 2023-2024 after this third meeting of 2023-2024.

Copy of Bank signatory authorisation letter/s required please. When will I receive it?  
Repeat- Signed and approved financials for BrightSight and the MD if and when they are approved.

Where are the audited financial statements for the MD and for Lions Operation BrightSight to be archived? I have not received anything for years. Hopefully after this convention all will be revealed.

CC Bernd spoke to me before the first Council meeting about finding an alternative archiving solution other than my computer. Possibly on Dropbox. I have spoken to DG Lindi and also to CS Rowan about the possible options and await some firm guidance on how the Council wishes to proceed with this.

I will archive what I receive as and when I get it. Everything of the best for your Council meeting and for the Convention.

Yours in Lionism,

PCC Rob Fowler
