I am disappointed in some of our Lions that are just unable to stick to cutoff dates and deadlines.

After numerous emails as a reminder to please pay in full and even after we extended the cutoff date, we still had to follow up with individual Lions, only to then find out that we must cancel their registration.

This causes unnecessary stress and last-minute planning for the Committee, although we will still try our utmost best to make this a fun and enjoyable Convention.

Up until the 20th of April, we added the last couple of Leos for the MD Convention. The Leos registrations caused even more unnecessary pressure and are still waiting for some payments to be made.

Total registrations: 257

District E: 82

District W: 125

MD Convention: 259

Evening functions: 231

I would like to say a big thank you to PDG Kim van Wyk for all the amendments over the last couple of weeks and your support with the Ubuntu Convention website.

A special word of thanks to PCC's Cliff and Jacqui for all your help and assistance.

I can confirm that all the invoices for Council and Cabinets have been paid. Thank you for your prompt response, This certainly makes our workload easier.

Thank you to the Convention Committee for all your input and assistance.

Last but not least, thank you to the Council of Governors for your assistance and support.

We are looking forward to having you all in the most beautiful part of the Country, the Garden Route.
