Financial statements for the year ended 30 June 2022

Members' responsibilties and approval

The members are required in terms of the NPO Act to maintain adequate accounting records and are responsible for the content and integrity of the financial statements and financial information included in this report. It is their responsibility to ensure that the financial statements fairly present the state of affairs of the entity as at the end of the financial year. and the results of its operations and cash flows for the period then ended, in conformity with International Financial Reporting Standards for Small and Medium-sized Entities and the requirements of the NPO Act of South Africa.

The financial statements are prepared in accordance with International Financial Reporting Standards for Small and Medium-sized Entities and the requirements of the NPO Act of South Africa and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgments and estimates.

The members acknowledge that they are ultimately responsible for the system of internal financial control established by the entity and place considerable emphasis on maintaining a strong control environment. To enable the members to meet these responsibilities, the board sets standards for internal control aimed at reducing the risk of error or loss in a cost-effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the entity and all employees are required to maintain the highest ethical standards in ensuring the entity's business is conducted in a manner that in all reasonable

circumstances is above reproach. The focus of risk management in the entity is on identifying, assessing, managing and monitoring all known forms of risk. While operating risk cannot be fully eliminated, the entity endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The members are of the opinion, based on the information and explanations given by management that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the financ_ial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The members have reviewed the cash flow forecast for the year and, in the light of this review and the current fmancial position, they are satisfied that the entity has access to adequate resources to continue in operational existence for the foreseeable future.

The financial statements set out on page 4 to 15, which have been approved on a going concern basis, are approved by the board and are signed on their behalf:

Independent Auditor's Report

To the Members of Lions Club International District 410 E

We have audited the annual financial statements of Lions Club International District 410 E (the NPO) set out on page 4, which comprise the statement of financial position as at 30 June 2022, statement of surplus or deficit, statement of changes in reserve funds for the year then ended, and notes to the annual financial statements.

In our opinion, the annual financial statements present fairly, in all material respects, the financial position of Lions Club International District 410 E as at 30 June 2022, and its financial performance for the year then ended in accordance with International Financial Reporting Standards for Small and Medium-sized Entities (simplified for the purposes of an NPO) and the requirements of the NPO Act of South Africa.

Basis for Opinion

Practice No: 900962

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Annual Financial Statements section of our report. We are independent of the NPO in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of annual financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The members are responsible for the other information. The other information comprises the information included in the document titled "Lions Club International District 410 E annual financial statements for the year ended 30 June 2022", which includes the Members' Report. The other information does not include the annual financial statements and our auditor's report thereon.

Our opinion on the annual financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the annual financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Members for the Annual Financial Statements

The members are responsible for the preparation and fair presentation of the annual financial statements in accordance with International Financial Reporting Standards for Small and Medium-sized Entities and the requirements of the NPO Act of South Africa, and for such internal control as the members determine is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, the members are responsible for assessing the NPO's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the NPO or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient
 and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from
 fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the NPO's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the NPO's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the NPO to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Financial statements for the year ended 30 June 2022

Members' report

The members have pleasure in presenting their report for the year ended 30 June 2022.

Business activities and general review of operations

The main business of the entity is an administrative body and income of the entity is generated mainly from dues received.

No material fact or circumstance has occurred since the financial position and the date of this report.

Specific matters

No major change in the nature of the entity's business took place during the accounting period.

The entity realised a deficit of R (49,533) for the year ended 30 June 2022 (2021- surplus of R286,958).

There are however accumulated surpluses so the annual financial statements of the entity are prepared on the basis of accounting policies applicable to a going concern.

The financial statements were approved and signed by the members.
