MEMBERSHIP	
	Current membership 206 we hope for a few more in the nearby future. Clubs made efforts in this regards but we lost numbers due to members dropped.
LEADERSHIP:	Zone Chair for Zone 6 Waine Killian Zone Chair for Zone 7 Ria Cronje Region Chair to be Appointed.
	The Two Zone Chairman of Region C did an excellent job during their year of service. Being totally different in their approach to clubs an their problems (and the multitude there of) being different, it was good to see how both of them grew to a level far and above what was expected. Being a first year zone chair is a daunting task and guidance should be given by the Region Chair in all aspects. Well-done to Both Petrus and Dawn. I wish you all the best for you endeavours for 2024,2025.

SERVICE:	Lots of service projects running as reported by clubs and zone chairmen. Mentionable zone 7 Steintal project going.
