	OVERVIEW
MEMBERSHIP	4 Clubs have less than 10 members and need attention
	5 Clubs are between 10 and 14 members
LEADERSHIP	Need to develop new leaders.
SERVICE	All Clubs are active in their service. Just need to ensure that that reporting is done.
GENERAL	Membership dues are a sticking problem. And are the cause of both membership loss and potential members not joining. This raises the question of are we targeting the right people to be members.
	Whilst not much can be done to lower the cost of membership we need to ensure that Clubs raise Admin funds in the correct / legal way. A number of people have different ideas of what is acceptable. As District we should put out some guidelines.
