Club Name	COMMENTS ON CLUBS (highlight difficulties or exceptional achievements)
Malgas	Glad to report, there seems to be more motivation in the club. We had a new person attend a meeting, there is a board for the next year, a few of the older members are leaving, but the club is more motivated to get new members now. There is a plan in place. More motivating projects.
Moorreesburg	This club is well run, and it is an example to the others, all projects are reported. Everyone is involved which is key in a successful club. This club is ideal at present. They have introduced more members and are a happy club. With a lot of activities.
Malmesbury	This club is on the mend they have leadership for the coming year, and are also very positive that the club will turn around again.
Porterville	Strong club, has direction, are working on new members. Have great spirit and positive outlook. Achieved their goals of increasing membership.
Gordonia	The club seems to be holding its own. Getting better with more projects and steady at the moment. Has also improved th membership.
Vredendal	A visit is required to these clubs - however they do show commitment and attend our Zone meetings via Zoom. They are getting better as the roles have all been filled now, and they are doing better.
	RECOMMENDATIONS / SUGGESTIONS / ACTION REQUIRED
	Action plans are starting to bear fruit, especially with succession planning for Officers for the next year and membership plans.
