Club Name	COMMENTS ON CLUBS (highlight difficulties or exceptional achievements)
	<p>This is the writer's fourth report to the cabinet. As the end is in sight and the next round (final year) dawns upon this zone and clubs, the question can be raised of what we have achieved. Yes some of the goals set were not met, and Confucius stated that "When it is obvious that the goals cannot be reached, don't adjust the goals, adjust the action steps".</p> <p>Oscar Wilde made a statement of <i>be yourself, as everyone else is taken</i>. The report will focus on what we have achieved.</p>
	To start this report, I have some general comments.
Note on NPO /PBO Submitted	<p>All the clubs, except for Tulbagh, are registered as NPOs and obtained an NPO from the Department of Social Development.</p> <p>The writers assisted Franschhoek with financial statements and responded to questions directed by the Department of Social Development. Worcester Lions Club must submit its narrative report, and the financial statements will be signed off shortly.</p>
	Furthermore, the writer draws the reader's attention to these specific clubs, which the writer is especially proud of:

<sup>1</sup> There is unconfirmed reports that one member will be inducted in April 2024

<sup>2</sup> Have taken up the matter with the club president and treasurer.

<sup>3</sup> The writer have taken not of a member to be dropped in good standing in April 2024

	<b>ZONE GOALS</b>
	My zone goals largely remain the same. To reiterate from my previous report –
	Do no harm – through the actions and leadership to maintain and work what is already there.
	To report—To assist and supervise the submission of club reports. As to writing (in this case, the formal writing of business minutes), one commits one's mind, a vial key to evaluate and question one's (in this case, the particular clubs') performance.
	Visit - This will allow me to gain insight into the challenges and first-hand experience of the club president's and the management's goals for that said club.
	Train – to have informal social and interactive training on specific club portfolios. When learning is fun, the results are amplified.
	<b>CONCLUDE</b>
	<p>This is one of my final reports for my tenure as the Zone Chair. This is an incredible learning experience, which the Region Chair made possible with his incredible leadership skills. The incoming nominated Zone Chair created and managed an incredible zone project that changed and will change a generation of youth, six lion presidents, treasurer and secretaries who ensured the reporting went smoothly.</p> <p>DG Neville and team, again, thank you for the confidence you placed in me.</p> <p>Finally, all this would not be possible without our heavenly Father.</p>

	<b>POINT OF CONTACTS</b>
