Club Name	COMMENTS ON CLUBS (highlight difficulties or exceptional achievements)
KuilsRiver	The support to marshaling events remained top of the order and the club had extreme challenges at the Stellenbosch airshow.
Helderberg	The Bingo was a great event but not a membership drive,
Stellenbosch	Club is actively promoting awareness of people living with a disability. With support from St Balze an exceptional Blind Navigators Rally was held on 6 April. Numerous Lions Clubs supported.
Brakenfell	The lease for the clubhouse remains unsigned. Further attempts to negotiate is being hampered by the sudden resignation of the president and her partner. The bank account has finally been resolved.
Gordons Bay	Concern with numbers dwindling and not able to identify or recruit potential members.
	RECOMMENDATIONS / SUGGESTIONS / ACTION REQUIRED
Kuils River	Plans are afoot to chage the club to a specialityclub during April with a fresh look on what can be achieved
Stellenboch	The three new prospects attending the meeting in April and should be added to the club during April

Helderberg	The members are tired, new strategies have been discussed and action will be taken when LP artemis returns to South Africa. The asset in Maccasar needs to be delt with as a matter of urgency. District intervention required. Remains an issue without resolve.
Brackenfell	With LP Mandy's sudden resignation the members are a little disorientated. New strategy needs RC John and Guiding Lion Rocky to workshop with members. The Clubhouse should be used to generate awareness.
Gordons bay	Zone meeting was hosted by the club, status quo remains
	CLUB SUCCESSION PLAN
All clubs	All clubs have requested training for members and officers alike. Next zone meeting will action officers and enforce succession pand action plan.
