#### **New Presidents**

There will be New Kids on the Block and don't be afraid to contact me. I may dress like an undertaker during working hours, but apparently I attempt to have fun most of the time. “Fun” being the theme that Presidents have to strive to during their tenure. The committee is there, the nominations are in and may the best nominee achieve success. (As there is a bit of a contest for Second Vice District Governor, we especially made no provision for boxing gloves. If you want to bleed, please do so outside)

#### **Resolutions**

There are a number of Resolutions for Cabinet and Convention to consider, but let us not dwell too long on it, as the delegates are surely more interested in the prior heading.

My very best wishes to our DG, Cabinet members and attendees to enjoy the last hiccups of the year.
