Priority Identified already x1

Trainers in Zone 9,10 & 11 will be able to travel to nearby Clubs

4. CLUB OFFICER TRAINING:

The dates will be sent out shortly and will take place in more than one area to ensure maximum attendance. We have agreed that the training will be more practical sessions to assist and prepare the Club Officers for their roll.

5. VISION 2022 AND BEYOND

As the GAT Team every effort has been made to follow the guidelines to get this plan in place.

Unfortunately, we have not seen the desired results in our District. We need to re-visit our plan and make sure that we regularly follow up with the Clubs.

This is where the Zone Chairpersons are playing a vital role to assist and give feedback at the GAT meetings. Region Chairpersons to monitor.

The Club action plans must be reviewed and adjusted accordingly as discussed at our GAT meeting.

The feedback received from the Zone Chairpersons are not positive and that is coming from the Club Presidents.

6. Guiding Lions / Rebuilding Lions

We have several certified guiding Lions in the District. They will be more than willing and able to assist Clubs where help is needed.

7. Leadership Development:

To date 457 participants attended local training offered by the District.
316 participants completed the Online Courses

8. Lions Leadership Journey

_Congratulations to ZC'S Jean and Mark that have already complete the full course and are now Certified Guiding Lions. The rest of the participants will be motivated to complete the full journey before the end of this fiscal year.

General:

I would like to take this opportunity to thank DG Neville for entrusting me with the GLT portfolio this year. We still have a couple of months to finish strong.

Yours in Service
