

## Christmas Cake Report to the Convention to be held in May 2024 at the Wilderness

Glad to report that the 2023 Christmas Cake has been completed . This fundraising and marketing venture of our Multiple District is still a great project to be involved with.

Our District had participation of 25 clubs with a few new comers that came on board. 523 Case of cakes were sold. The 15 cases of cakes ordered by the District were taken up by the clubs who ran short.

The deliveries went pretty smoothly. We must thank Lion Sandy Roman, Tillie Nel and Alan van Wulven who handled the deliveries to the various delivery depots. A special delivery of 20 cases was made to Upington.

Our District Treasurer Jules will be doing the early refund payment to the clubs and this matter should be completed before convention. We unfortunately had a delay in the refunding. Once again as we had late payments to the bakery and this matter was only solved very recently.

The quality of the cakes were pretty good and I only had a verbal complained from a club re some dry cakes. The new design of the cakes box was well received.

I end of my report by thanking each and every one who was involved in the Christmas cake project.

We look forward to your participation again this year. Once the Multiple District convention is over we will know the new price and way forward for this year.

God Bless and enjoy your time together at the convention.

Yours in Lionism
