

4th ENVIRONMENT REPORT TO CABINET 410W-10 APRIL 24

April is Environment month with Earth day on 22 April24

Since my last report-

Fairmount High School Grassy Park; this year the food garden is starting with a new group of pupils to make beds, add compost and then plant seedlings i e Spinach,Danjia,Celery,Beetroot,Cabbage,before ripe for harvest to sell at a school market,

Orleansvale Primary School .Paarl- thanks to a FB post by an eager gardener,Joey Arnold Erasmus contacted me asking for seeds for this school garden.I contact President Jacques Calitz who got in touch with Joey, saying the Lions club had supplied Lemon trees to this school in the past and will contact him .Latest- JAcques Calitz has contacted Joey at the school and their club has bought veggie seed to supply him with .

Thanks to Mitchells Plein Lions Club for doing a Beach clean up ; Tokai Lions Club doing a Bag a Burger project at Soetwater on 6 April24, I was babysitting so I was unable to attend either projects . WEII DONE!

April Newsletter still to go out to clubs

The Zone11 project for erecting a bench at the FynBos garden at Zandvlei, has still not materialised, waiting on ZC Mark Rossouw for more details.

This is my last report to be tabled at Cabinet as I am handing over the reins to a younger more energetic ,keen environmentalist(I hope) wishing them lots of fun and enjoyment
Wishing you all an enjoyable cabinet meeting and a fantastic convention. So enjoyed my time on cabinet, meeting other Lions Members from different clubs and making new friends.

Fondest regards

Angela Niehaus
