PORTFOLIO: Youth Exchange

BY: Charles Flanagan

Dear Cabinet members

International Youth Exchange

I would like to Thank DG Neville and the cabinet for affording me the position as YEC. The year has been very much one of planning for students to visit in July which will be the start of our next Lionistic year. I am working on seeing how we can accommodate the youth who will visit and how we can get a contribution from the Students parents or sponsoring Lions Clubs to cover some of the expenditure, whilst the youth are visiting.

I will keep everyone informed of the progress and when students will be coming to SA. This is very exciting as we have not had Youth exchange students in SA for quite a few years.

Once I have dates and number of students, I will contact the clubs to see who would be willing to host the students.

The youth are our future, and it is important to invest time in them so that they too can step into their brilliance, strive and be in service to their fellow man.

Kind Regards

Charlie Flanagan
