

4. Report on the Pro for Namibia for District 410W.

2 May 2024, Wilderness

DG Neville and fellow cabinet officers!

This time there is not much to report. All just routine sending our activities to the radio stations to be broadcasted. Thanks to Lion Jonathan Wilsnach some of the Leo's activities are reported in the local newspapers. The selling of the raffle tickets for the Hentiesbaai Dementia Center is ongoing.

Promoting Lions is my way of living.

Proudly serving
