It is with great pleasure and excitement that we extend to you a warm invitation to the UBUNTU Convention hosted by MD410. This upcoming event promises to be a celebration of compassion, kindness, and the incredible spirit that defines us as Lions. UBUNTU, the belief that we are defined by our compassion and kindness towards others, resonates deeply within the heart of every Lion. It is the guiding principle that drives us to serve our communities and make a positive impact on the world.

We are thrilled to invite you to join us in the breathtakingly beautiful Garden Route as we come together to celebrate our membership in this wonderful organization. This convention is an opportunity to strengthen our bonds, share our experiences, and inspire one another to continue making a difference.

Mark your calendars and prepare to embark on a journey of inspiration, fellowship, and service.
